

FINANCIAL ASSISTANCE APPLICATION

We would like to help everyone with a need, but our resources are limited. We will consider each application on an individual basis.

PLEASE ANSWER THE FOLLOWING:

Would you be able to come up with the \$30 later in the year? Yes ___ No ___ If yes, when? _____

Do you need a full \$30 scholarship? Yes ___ No ___

If no, how much do you feel you could contribute to your membership cost? _____

Would you be willing to help GRHE in some way in return for your scholarship? Yes ___ No ___

If yes, do you have a particular way in which you would like to assist GRHE? _____

—

Please tell us something of your present situation that makes it financially difficult for you to join GRHE. (Please note that just the fact that you are a one-income family does not qualify you automatically for a scholarship – most of our members are single-income families.) Any extenuating circumstance such as a job loss, illness in the family, or a very low total income is what we are looking for here. Thank you for sharing.

FINANCIAL AID APPLICANTS, PLEASE NOTE:

There will not be any assistance considered for those who do not fill out this application. The GRHE Board will consider your financial assistance application at their next meeting following the receipt of your application. (If yours arrives by the end of July, your application will be considered at the August meeting. If it arrives in August, it will be on the September agenda.) After the meeting where your application is handled (we meet the first Tuesday of each month), you will be contacted as to whether you have been accepted for assistance and how much you may be asked to contribute. Your membership will not be finalized until you have been contacted and your contribution (if applicable) is received. **Do not send any money until you have received confirmation from the Board of Directors. Thank you.**
